Waimanalo Middle School Supply List

We understand that parents would rather purchase school supplies at the beginning of the school year when prices are affordable. Thus, we ask you to purchase supplies which may be used during the school year now. Please turn in the following supplies to your advisory teacher — your child may replenish his/her supplies as needed until the school supplies are exhausted. These supplies will be used by your child in all classes.

Turn in all school supplies to your advisory teacher on:
