ONLY RAIN
IN THE DRAIN!

Help DON'T have surf down the storm drain

to the lake without picking up any
pollutants along the way!

Start

You forgot to fix the oil leak!

Whoops!

You didn't pick up your pet's waste!

Yuck!

Hiccup!

You washed your car on pavement!

Wrong wash!

You overfilled the gas tank!

Go back!

You fertilized just before it rained!

Bad idea!

You put trash down the storm drain!
