WAIMANALO ELEMENTARY & INTERMEDIATE SCHOOL PARENT, STUDENT, & SCHOOL COMPACT

I have read and reviewed the Waimanalo Elementary & Intermediate Schools’ Parent & Student Information Handbook (in the student planner) with my child. I understand the school rules outlined in the handbook. I have addressed all of my questions and/or concerns to a teacher or an administrator. I will encourage my child to uphold and to respect the Student Code of Conduct as these are expectations of the School. I will support my child’s academic responsibilities by:

- Providing adequate rest, food, and medical attention so that my child is ready to learn.
- Checking to see that my child has the necessary school supplies.
- Seeing that my child is appropriately and comfortably dressed.
- Ensuring that my child attends school daily and gets to school on time.
- Monitoring my child’s homework and encouraging my child to complete his/her homework assigned neatly and in a timely manner.
- Attending parent-teacher conferences and other school functions: Open House, parent workshops, field excursions, ‘Ohana meetings, and any other school function.
- Encouraging my child’s growth and ideas.
- Communicating with my child’s teacher(s) as needed.
- Being accountable for the return of the school and library books at the end of the school year.

WAIMANALO ELEMENTARY & INTERMEDIATE SCHOOL AND ITS TEACHERS will:

- Teach the basics according to the Hawaii Common Core and/or Hawaii Content and Performance Standards and offer rigorous courses in order for students to reach their individual potential while preparing for college or for careers.
- Assign meaningful homework with clear directions.
- Offer special assistance to students who progress at different rates.
- Set firm and fair safety, discipline, and drug enforcement policies.
- Make the use of technology a part of instruction, reinforcing lessons and skills while enabling students to become technologically literate.
- Inform families and the community about the high academic standards at our school and how families and the community can help learn to reach these standards.
- Give families timely reports on student progress.
- Create opportunities for all families to volunteer in the classroom, after-school, and in other capacities, and encourage them to do so.
- Provide guidance to parents on helping their children with homework and on learning at home.
